**ECLIPSE**

**MODEL 3135EC**

**JIG GUIDE**

**Drill locations for:**
1. Lever disconnect assemblies
2. Drawer hooks
3. Front face frame hole
4. Front side mount (37 mm)

Accuride recommends the use of the drill bit in the optional Accuride tool kit (PN 41800568XE) to control drill depth when drilling.

For use with part number: 41800568XE Drill Jig.
