9300E SLIDE SERIES

The 9300E slide family has been enhanced to deliver a payload of up to 600 lbs., reduced migration, and smoother and quieter travel. These enhancements not only make this slide better than before, it’s the best in its class.

**9300E Shared Features**
- Platform bracket kits for increased application flexibility
- Full extension
- .75” [19.1 mm] side space
- Non-disconnect
- Even lengths 10”-36”, 40”, 42”, 44”, 48”, 54”, 60” [254–914, 1016, 1067, 1118, 1219, 1372, 1524 mm]**
- Clear zinc finish

**Model 9301E**

Model 9301E is designed for use in a variety of storage applications including large pantry pull-outs, vehicular storage, or other wider, heavier drawers. Platform bracket kits provide six additional mounting configurations, offering installers a broader range of application solutions.

**Model 9307E**

**Lock-out**

Heavy-Duty slide with premium movement, and stronger lock-out functionality to keep drawers and workstations secured in an open position for an extended period of time.

**Model 9308E**

**Lock-in & Lock-out**

Heavy-duty slide with stronger lock-in feature to ensure drawer stays closed during transit in utility and emergency vehicles. Lock-out feature holds drawers and trays open securely for an extended period of time.

**Load Ratings**
- Moderate usage: 600 lbs./pair Drawers up to 24” wide*
- Frequent usage: 480 lbs./pair Drawers up to 42” wide**
- Mobile applications: 360 lbs./pair Drawers up to 32” wide*
- Flat mount: 180 lbs./pair Drawers up to 32” wide**

* Lengths 10”-36”. For load ratings on longer lengths, consult product technical sheet. Load ratings based on 10,000 cycle test.

** Lengths 10”-36”. For load ratings on longer lengths, consult product technical sheet. Load ratings based on 75,000 cycle test.
**Model 9328E - Toolless Installation**
Pocket & Bayonet Mounting
Lock-in & Lock-out

This heavy-duty slide now has stronger lock-in and lock-out features that keep drawers secured in open and closed positions. The pocket & bayonet mounting make installation simpler.

---

**Model 9322E - Toolless Installation**
Pocket & Bayonet Mounting
Non-locking companion slide

This unhandled heavy-duty slide is equipped with a pocket and bayonet mounting system to make installation easy.

---

**Pocket & Bayonet Mounting**

These products have a standardized bayonet/pocket installation system that simplifies and speeds up slide integration. Installers simply snap the slides into position, without the need for screws, washers, or lock nuts. The slide is secured in position with locking tabs or barbs.
**Front Latch**

Front latch releases and secures drawers in an open position for extended access. This latch can be used on either side of the cabinet or both slides on the drawer.

**Model 9308-E5**

Special Packaging

Combination includes one standard 9301E and one right-handed 9308E Front Latch.
