Business or Home Office

Accuride

Frees up desk space while providing ergonomic comfort when typing or using the mouse.

Deluxe Keyboard System

CBERGO-TRAY 300

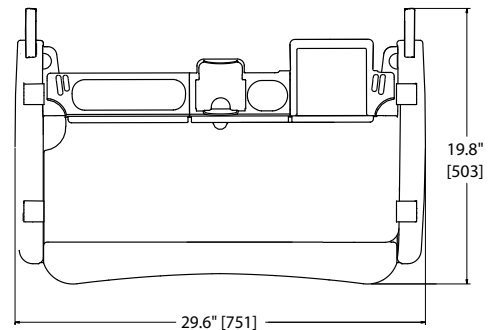

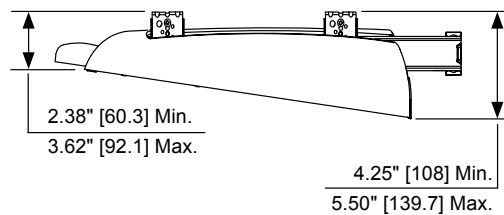

Accuride's Deluxe Keyboard System maximizes work space in business or home office environments. Featuring a sleek, ergonomic design that minimizes repetitive stress injuries, the fully concealed slides provide smooth and stable movement.

Features and Benefits

- Full extension for complete access
- Unit is 29.6-inches wide, providing ample room for mouse operation
- Slides are concealed, eliminating any rough edges or pinch points
- Hold-in, hold-out, and intermediate detent to hold the tray in the desired position
- Gel palm rest provides typing comfort; may be removed to accommodate larger keyboards.
- Rear storage compartments to store supplies
- Adjustable keyboard platform offers three different angles.
- Built-in cable management keeps mouse and keyboard cords out of the way.
- Removable mouse pad for left- or right-handed mousing
- Mounting brackets may be mounted inboard or outboard and offer seven adjustment height positions.
- Non-disconnect to prevent accidental removal.

Availability

- Black finish only
- Standard Keyboard Tray System (CBERGO-TRAY 200) also available.
